## WHO ARE WE?

Caster Cares™ is the philanthropic arm of Caster Concepts, Inc. of Albion, MI, a company that believes in giving back to the community in which it and its employees live. Caster Cares™ is building a better Albion through civic engagement and community development projects that support the ongoing rebirth of the city and region.

We participate in year-round activities like food drives and toy drives during the holiday season. We are also deeply involved in supporting civic, cultural and charitable organizations, such as Swingin' at the Shell, Walk the Beat Albion, and Run Albion. These are popular events that pull crowds from many areas outside the Albion community.

By working together, we create something even greater.

## **Dr. William Dobbins, President, Caster Concepts**

Dr. Dobbins is a lifelong resident of the Albion area and graduate of Albion College (Class of 1974). He practiced family medicine in the Albion/Marshall area for 25 years until 2004, where he left

his practice to earn his MBA and assume a leadership role at Caster Concepts, Inc. Dr. Dobbins has been actively involved in Albion's downtown revitalization efforts, including his position as President of the Albion Reinvestment Corporation. He is also committed to the advancement of STEM education and other notable causes in the community that enrich the lives of his employees and community residents.

## **Stephanie Siefert, Office Manager and Caster Cares Media Contact**

Stephanie has more than a decade of office management experience at Caster Concepts, assuming all administrative responsibilities for Dr. Dobbins. She is also the media contact and liaison

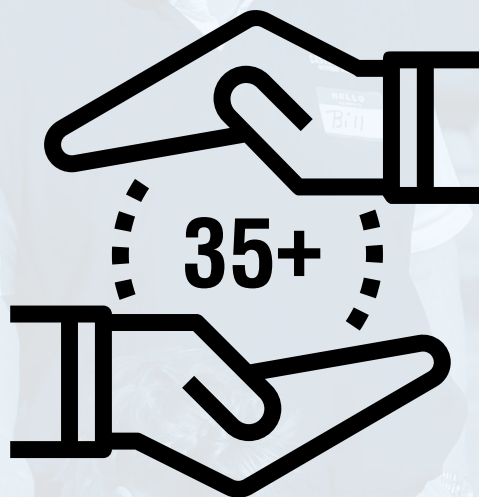

for all Caster Care directives. She can be reached at: [SSiefert@casterconcepts.com](mailto:SSiefert@casterconcepts.com)
